

WORKMANSHIP GUARANTEES

LABOR GUARANTEE

FOR TWO (2) YEARS from the date of Final Invoice, HDP Construction Services will repair, free of charge, defects in labor performed pursuant to the final invoice.

LEAK-FREE GUARANTEE

FOR FIVE (5) YEARS, HDP Construction Services will repair, free of charge, any (interior) leaks that result from workmanship defects.

Workmanship Guarantees begin the date of the Final Invoice. To discuss a Guarantee item, contact the HDP Office to coordinate an onsite appraisal by a member of the Construction Team. The Workmanship Guarantee is transferable, only up to the date of expiration. Any applicable warranties and/or guarantees for materials, as supplied by the manufacturer, are passed on to the customer. HDP Construction reserves the right to refund a portion of invoiced charges, in lieu of completion of work related to the guaranteed service.

EXCLUSIONS: Guarantees do not apply to material failure, customer abuse/neglect, foundation shifts, improper use of cleaning products/sealers/caulking, or a client's change of mind regarding work approved. Any and all guarantees are voided if the customer (or a different contractor hired by the customer) modifies any labor performed by HDP Construction Services. This guarantee is also potentially nullified with any non-payment for services rendered by HDP Construction.
