OUR SERVICES

OPTION 2

PACKAGE DESIGN SERVICE

At HDP Construction we understand how important your time is, we are here to make this process less overwhelming for our customers. Our design team has created three great hand picked packages that will fit any style. Our selections are neutral and timeless. The best part, our packages are suitable for all range of budgets. Let's us help you take the selection stress away!

OUR SERVICES

OPTION 3

HOURLY SERVICE - eDesign

Everyone has a unique style and we understand if you would like to take charge of your project! Our remote e-design option allows our clients to select their own finishes and design options. Clients will have electronic communication with our design team for recommendations through out their design progress. This service is priced hourly based upon interaction with our Design Team.

OUR SERVICES

OPTION 4

HOURLY SERVICE - in person

For our customers providing their own designs, our design team also offers an hourly rate for in-person professional support. This block of time is on an as-needed basis. This option allows you the flexibility of providing your own design plan with professional input. This option is great if you have a small project or need minimal support.

OUR SERVICES

OPTIONAL

RENDERING SERVICE

Our HDP design team offers a stand alone design rendering design service. This service includes a virtual tour of your space, a 2D measurement based sketch, and multiple 3D perspective view of their potential dimensions, layout and sizing. If you are not a visual person, this option is a great way to envision your project. Your project is an investment, and we want to ensure that you are happy with your selections and modifications.
